Section VII. Court Records Excluded From Public Access.

A. **Case records.** The following information in case records is excluded from public access and is confidential absent a court order to the contrary; however, if the information is disclosed in open court and is part of a verbatim transcript of court proceedings or included in trial transcript source materials, the information is not excluded from public access:

- (1) information that is excluded from public access pursuant to federal law;
- (2) information that is excluded from public access pursuant to the Arkansas Code Annotated;
- (3) information that is excluded from public access by order or rule of court;
- (4) Social Security numbers;
- (5) account numbers of specific assets, liabilities, accounts, credit cards, and personal identification numbers (PINs);
- (6) information about cases expunged or sealed pursuant to Ark. Code Ann. §§ 16-90-901, et seq.;
- (7) notes, communications, and deliberative materials regarding decisions of judges, jurors, court staff, and judicial agencies;

(8) all home and business addresses of petitioners who request anonymity when seeking a domestic order of protection.

B. Administrative Records. The following information in administrative records is excluded from public access and is confidential absent a court order to the contrary:

(1) information that is excluded from public access pursuant to Arkansas Code Annotated or other court rule;

(2) information protected from disclosure by order or rule of court;

(3) security and emergency preparedness plans. Security and emergency preparedness plans shall not be open to the public under this order or the Arkansas Freedom of Information Act, Ark. Code Ann. §§ 25-19-101 et seq., to the extent they contain information that if disclosed might jeopardize or compromise efforts to secure and protect individuals, the courthouse, or court facility. This exclusion from public access shall include: (A) Risk and vulnerability assessments; (B) Plans and proposals for preventing and mitigating security risks; (C) Emergency response and recovery records; (D) Security plans and procedures; and (E) Any other records containing information that if disclosed might jeopardize or compromise efforts to secure and protect individuals, the courthouse, or court facility.

Explanatory Note: Before the amendment, this part of the Administrative Order made the address and phone number of all litigants confidential. That rule would have been both too broad and unworkable. Litigants' addresses are needed for, among other things, summonses and judgments. The revised provision is limited to the situation where current substantive law makes a litigant's addresses confidential for an obvious and compelling reason. Ark. Code Ann. § 9-15-203 (Repl. 2008).

Section VIII. Obtaining Access to Information Excluded from Public Access.

A. Any requestor may make a verified written request to obtain access to information in a case or administrative record to which public access is prohibited under this order to the court having jurisdiction over the record. The request shall demonstrate that:

(1) reasonable circumstances exist that require deviation from the general provisions of this order;

(2) the public interest in disclosure outweighs the harm in disclosure; or

(3) the information should not be excluded from public access under section (VII) of this order.

The person seeking access has the burden of providing notice to the parties and such other persons as the court may direct, providing proof of notice to the court or the reason why notice could not or should not be given, demonstrating to the court the requestor's reasons for prohibiting access to the information.

B. The court shall hold a hearing on the request, unless waived, within a reasonable time, not to exceed thirty (30) days of receipt of the request. The court shall grant a request to allow access following a hearing if the requestor demonstrates by a preponderance of the evidence that any one or more of the requirements of (VIII)(A)(1) through (VIII)(A)(3) have been satisfied.

C. A court shall consider the public access and the privacy interests served by this order and the grounds demonstrated by the requestor. In its order, the court shall state its reasons for granting or denying the request. When a request is made for access to information excluded from public access, the information will remain confidential while the court rules on the request.

D. A court may place restrictions on the use or dissemination of the information to preserve confidentiality.

Section IX. When Court Records May Be Accessed.

A. Court records that are publicly accessible will be available for public access in the courthouse during regular business hours established by the court; however, public access to trial exhibits and trial transcript source materials shall be granted at the discretion of the court. Court records in electronic form to which the court allows remote access under this policy will be available for access during hours established by the court, subject to unexpected technical failures or normal system maintenance announced in advance.

B. Upon receiving a request pursuant to section (VI) or (VIII) of this order, a court will respond within a reasonable period of time.

Section X. Contracts With Vendors Providing Information Technology Services Regarding Court Records.

A. If a court, court agency, or other private or governmental entity contracts with a vendor to provide information technology support to gather, store, or make accessible court records, the contract will require the vendor to comply with the intent and provisions of this access policy. For purposes of this section, the term 'vendor' also includes a non-judicial branch state, county or local governmental agency that provides information technology services to a court.

B. Each contract shall require the vendor to assist the court in its role of educating litigants and the public about this order. The vendor shall also be responsible for training its employees and subcontractors about the provisions of this order.

C. Each contract shall prohibit vendors from disseminating bulk or compiled information, without first obtaining approval as required by this order.

D. Each contract shall require the vendor to acknowledge that court records remain the property of the court and are subject to the directions and orders of the court with respect to the handling and access to the court records, as well as the provisions of this order.

E. These requirements are in addition to those otherwise imposed by law.

Section XI. Violation of Order Not Basis for Liability.

Violation of this order by the disclosure of confidential or erroneous court records by a court, court agency, or clerk of court employee, official, or an employee or officer of a contractor or subcontractor of a court, court agency, or clerk of court shall not be the basis for establishing civil or criminal liability for violation of this order. This does not preclude a court from using its inherent contempt powers to enforce this order.
